A Prestigious Address, Elevated

Welcome to Carr Workplaces at The Willard Offices, where your business enjoys a front-row seat to history and influence. Located alongside the iconic Willard InterContinental Hotel—birthplace of the term “lobbyist”—and The Occidental, a favorite for power lunches and deal-making, this workspace places you at the heart of Washington’s legacy. With us handling the details, you can focus on making your next big move in one of D.C.’s most prestigious locations.

CLIENT REVIEW

We have been a client at Carr Workplaces for well over 10 years utilizing in house and virtual office options. The office and the staff continue to meet our expectations; they are helpful, friendly, and always get the job done. The additional offering of support — scheduling; securing office space or conference rooms; ordering beverages and food for client meetings; as well as the IT capabilities are also extremely helpful. We haven't looked anywhere else.
