CLIENT REVIEW

I have been utilizing the Carr Workplaces AON Center for a month now and to say I am impressed is an understatement! First and foremost, the booking process was/is effortless as everything operates through a seamless app! I found this coworking opportunity through a Google search and I honestly think I hit the jackpot. The offices are spacious, clean, well-lit, and extremely comfortable and the Wi-Fi is fast. The common spaces in the kitchen are perfectly spaced out, clean and very comfortable. This is the perfect place to come and get work done. I absolutely recommend this space as an amazing coworking option!
