Work Where DC Happens

At Carr Workplaces City Center, you're not just near the action—you're at the epicenter of it all. Located just steps from DC's "modern-day Rockefeller Center," this prime spot offers unbeatable access to power lunches, boutique shopping, and client-closing happy hours. With two Metro stations nearby, getting here—or heading home—is effortless. Elevate your workday in a space as dynamic and sophisticated as you are.

CLIENT REVIEW

This is a great coworking and executive suite location, right between the White House and Metro Center. The building just finished a great renovation to the lobby and common areas which coupled with the newer buildout and design of the center makes for a great image of your business. The Carr Workplaces platform also offers a lot more services than any other coworking option.
