At the Center of It All
Carr Workplaces The Loop places you right in the middle of the Chicago's action, surrounded by the energy of the city's iconic central business district. Spanning two floors high above the street, this modern workplace blends polished private offices, collaborative meeting spaces, and comfortable lounges into an environment designed to keep ideas moving. Steps from the city's most connected transit hub at Clark/Lake and moments from the Riverwalk, Willis Tower, Daley Plaza, and the Theatre District, the workday flows seamlessly from commute to meeting to after-hours plans. Add in tenant-only building perks like a fitness center and locker rooms, 24/7 security, and attentive on-site support, and The Loop becomes more than an office — it's a front-row seat to everything Chicago has to offer.

CLIENT REVIEW

> The amenities and team in this space are amazing. I have had several shared spaces in my career and they have been by far the easiest to work with and most reasonable in terms of cost. I would highly recommend The Loop to anyone looking for a professional space in a prime downtown location!
